SPECIALTY COATING SYSTEMS

# TC Interior

Beautify your interior floor with TC Interior, a line of systems specifically designed for the interior environment. Add style to any decor; choose either a smooth or slightly textured finish, pick from a variety of color and pattern choices, and finish with a durable satin or high gloss sealer. Color with Acid Stains, Water-based Stains and Fast Stains, or simply trowel smooth for a sleek concrete look.

**TEXTURE COAT**  
DECORATIVE TEXTURED SURFACES

**westcoat.**

**Add texture. Add dimension.**

Our Texture Coat product line transforms plain concrete into decorative, durable, textured works of art. Texture Coat's finishes work equally well on old or new concrete and are perfect for simulating the look of flagstone, slate, stone, pavers, tile, or create a look all your own.

**Residential or commercial**

Perfectly suited for interior living or office areas. TC Interior can add to the decor of any restaurant, dining area, game room, lobby, gallery, boutique, or kitchen.

**Fast drying**

Spend less time waiting. TC Interior systems dry quickly for added savings in time and labor.

**Safe installation**

Protect your indoor environment from toxic chemicals. The TC Interior systems offer the option of a low odor and/or solvent-free installation.

**Low maintenance**

Keep your customers satisfied. TC Interior systems stand up to traffic and require low maintenance. Finish with a satin topcoat for an easy to clean floor that hides dust and scuffs.

**Variety**

Unlimited colors and patterns will please even the most discriminating customers. TC Interior systems are also compatible with a variety of sealers in either a satin or gloss.

**Advantages**

- Decorative
- Cost-effective
- Fast drying
- Low maintenance
- Durable
- Available skid-resistant finish
- Optional solvent-free installation
